

THE DEAL OF THE MONTH

The New Year has just begun and the offices of Portals and Andratx have already announced an enormous success.

After one year of intensive work, many appointments and many viewings with their clients, the two sales advisors Helga van Deijzen and Ulla Mundhenk decided to offer their clients a very exclusive property close to Puerto de Andratx. It was the perfect mansion - surrounded by 45.000 m² of land in an absolutely idyllic place. We would like to wish the new owners a lot of happiness with their new home!

This has been the biggest deal for a residential property in the southwest region of Mallorca.
