

THE ENGEL & VÖLKERS
ROBERT WINSOR CHARITY INFORMATION
SPRING 2008

Dear Friends and Supporters,

We have great pleasure in presenting you the details of this year's golf tournament and gala dinner. This year marks the 10th anniversary of the Robert Winsor Golf Tournament on Mallorca and we are therefore planning to celebrate the occasion in style with a grand gala dinner and spectacular in Mallorca's Grand Casino but more on that later !

PRESENTATION TO THE DISADVANTAGED CHILDREN OF MALLORCA

At the end of 2007, the Santa Ponsa Country Club hosted the charity's 9th annual presentation. This was attended by over a 100 children, carers and local organisations who were presented with approximately 300,000 Euro worth of equipment, from specially equipped mini buses to wheelchairs. As you can imagine, it was a day full of joy, genuine delight and a few tears but the most important part was to see that this charity really makes a difference to the lives of literally thousands of disabled and handicapped children and their carers throughout the island.

We therefore wish to extend a big thank you to all our supporters who helped us raise a record breaking 300,000 Euro last year and we sincerely hope that we can count on your support in 2008.

COUNTDOWN TO 10TH ANNIVERSARY & SPECIAL GALA DINNER
(flash Limited Availability)

We are delighted to confirm dates for the forthcoming 10th Anniversary Robert Winsor Golf Tournament at the Royal Bendinat Golf Course on the 19th – 21st May. The tournament will start, as is traditional, with a Shotgun Start on Monday 19th when the less experienced have a real chance to compete. That night a welcome opening dinner will be hosted by the Royal Bendinat Golf Club in their own dining room where teams will be selected for the following two days.

On Wednesday, May 21st, the tournament will finish with a Celebrity Charity Gala Dinner and Spectacular at the new venue of Mallorca's Grand Casino. The Gala Dinner has been sponsored by David Eastall's company Chintsa River with wine donated by Macia Batle and casino venue donated by the Mallorca Gran Casino.

However, the great advantage of staging the event this year at the Casino is that we will have more space. Therefore, for the first time, we are in a position to sell tables for this sparkling event! Please contact, Robert Winsor for more details on costs, table packages and reservations
