

The golf courses on the island

Wonderful landscapes with marvellous panoramic views and views of the countryside, optimal temperatures all the year round and the great variety of 19 golf courses make 300,000 golfers come to Majorca every year. Especially the southwest has become one of the most popular regions around the Mediterranean. Rightly so!! Here you will find a real golf paradise: the wonderful course Golf de Andratx with one of the longest lanes in Europe; the attractive course Golf Poniente for experienced golfers; exclusive private courses in Santa Ponsa or the Real Golf de Bendinat with King Juan Carlos as a honorary member.

1. Andratx / Welcome to the golfers' paradise
