 WHO'S WHO... AND WHERE IT'S ALL HAPPENING
 ON THE ISLAND

**Excellent turnout for
 Mediterranea-sponsored walk**

Residents of the island showed generous support for the Mediterranea charity by taking part in a sponsored walk to raise money to build an orphanage in Ghana. Hundreds took part in the walk, which covered seven kilometres through Magaluf and concluded with celebratory music from Ghana citizens, colourful entertainment and face-painting for children. The project to build an orphanage in Prampram, a fishing village in Ghana, is one of several worldwide ventures being undertaken by the pioneering charity, which was established nine years ago by Dr. Michael Stoma and his wife Victoria.
